

Trinidad Accommodations Project – Press Release

14 October 2015

BP awards EPC contract to Apply LQ&HD

BP Trinidad and Tobago LLC has awarded Apply LQ&HD the EPC contract for the Trinidad Accommodations Project. The project includes delivery of an integrated single unit Living Quarters Module to be installed on existing platform Mahogany B. The work will be performed by Apply Emtunga in Sweden.

The contract is for delivery of a new 3 level Living Quarters with a total area of 1080m² and a capacity of 70 POB. The Living Quarters includes helideck, offices, galley, dining area, recreation areas, change rooms, central control room (CCR) and other facilities required for operations on the platform. The Module will be built in structural steel for offshore single lift installation. Delivery is from Sweden first quarter of 2017.

“We are very proud that BP Trinidad and Tobago LLC have chosen Apply LQ & HD for the EPC delivery of the Trinidad Accommodations Project, especially since we have been involved in the project since early 2010. This is an important contract for us as it further strengthens our relationship with BP and allows us to be fully involved in all phases of the project. The delivery will be based on our own modularized and standardized design for offshore Living Quarters, in which we have incorporated client specifications as well as applicable regional regulations – A winning combination to maintain our position as the leading international independent offshore living quarters supplier” - says CEO Lars Solberg.

Apply LQ&HD is at present also engaged in the delivery of Living Quarters & Helidecks to Gina Krog (NCS), Ivar Aasen (NCS), Johan Sverdrup (NCS), Martin Linge (NCS), Oseberg C (NCS), Hebron (Canada) Shah Deniz Stage 2 (Caspian) and ETAP (UKCS).

Apply LQ&HD - is the leading international supplier of living quarters and helidecks for the Oil & Gas Industry.
